

## Publisher Correction: Cancer genetics, precision prevention and a call to action

Clare Turnbull , Amit Sud  and Richard S. Houlston 

Correction to: *Nature Genetics* <https://doi.org/10.1038/s41588-018-0202-0>, published online 29 August 2018.

In the version of this article originally published, there was an error in the second-to-last sentence of the abstract. In this sentence, the final phrase “to identify carriers of first-wave gene mutation carriers” should have instead read “to identify carriers of first-wave gene mutation.” The error has been corrected in the HTML and PDF versions of the paper.
